

Tuesday 24th March

'5 a day'

1. Phonics task – Say the sound for each digraph and do the jolly phonics action. Think of three words for each sound. Can you write them down?
2. Writing task - Look in the kitchen cupboards. Write a list of food items that you can see. Use your phonics mat (in the school pack) and remember to form each letter correctly! Send me a picture if possible.
3. Mathematics task - Whilst on a walk or in your garden find eight sticks. Place them in order of size smallest to largest. Number the sticks (using chalk or make paper number cards). Tell an adult about your size ordering. Can you do the same with leaves?
4. Creative task - Make a paper boat. Use paper, scissors, tape. Try floating it in the sink.
5. Purple Mash - Login to purple mash. Enter 'Mini Mash' and explore.
