

## MATHS

**Task 1.** This week, we will be focussing on 'teen' numbers. First, have a go at counting to 20! Then try and fill in the missing numbers on the snake. Use your number cards to help you if unsure.

Challenge: can you count to 30?

**Task 2.** Can you count the cubes? They have been split into ten and ones so you could try counting on from ten. Cut out the numbers and stick them in the correct place to show your answers.

## WRITING/ THE WORLD

**Task 1.** This week we are learning about spiders. Have a look at the PowerPoint Presentation to find out about these rather clever creatures! Now have a go at making your own Spiders fact file. Use the spider themed paper provided.

**Challenge:** Can you add a spider fact of your own? Maybe you could ask a grown up to help you do a bit of research on the Internet.

**Task 2.** What do you think this spider is saying? Have a go at writing in the speech bubble!

*Challenge:* can you use a capital letter and a full stop in the correct place?
