'Inspiring young minds to unlock their potential to grow.'

Tuesday 6th May 2025

Dear Parents and Carers,

I am writing to inform you of an important change to our wraparound care provision, which will take effect from September 2025.

We have enjoyed a long and successful partnership with Cherubs, who have provided breakfast and after-school club services at our school for several years. We are grateful for their support and commitment to our school community during this time. However, Cherubs have made the decision to focus solely on their nursery provision and will therefore be stepping away from wraparound care provision at the end of this academic year.

Following a thorough review, we are pleased to share that from September 2025, we will be working with The Lime Trees as our new wraparound care provider. The Lime Trees are an established and highly regarded childcare organisation, currently operating a few schools in the local area.

Further information will be sent out in a few weeks once bookings are open to share prices and to arrange a parent forum so parents can share their wants and needs with the provider. In the meantime, here is some information about The Lime Trees:

The Lime Trees

As an Outstanding childcare provider, The Lime Trees' mission is rooted in helping and supporting each individual family. We recognise that every child, every family and every home is unique, and our aim is to deliver a service that we, as parents, would be proud to use. We realise that flexibility and affordability of childcare is essential to meet the needs of modern family life. That's why our session times and booking software are designed to allow you to manage the care of your children around your schedule and not the other way around!

How to book

We provide a totally flexible service, which gives you the option to book the sessions that work best for you and your family via our online booking system. Once bookings open you simply visit our website www.thelimetrees.co.uk and select the 'Book Now' option from the top left drop-down menu. Choose your desired location and click 'Book Now'. You will need to register your child/children before you are able to make a booking. For more information on how to register, book your place and make a payment as well as some general FAQs, please refer to the 'Parents Guide' which can be found on our website.

We look forward to working with The Lime Trees and are confident that they will provide a high-quality and flexible wraparound care service for our families.

Kind regards
Elizabeth Ellis
