*'Inspiring young minds to unlock their potential to grow.'*

26<sup>th</sup> March 2026

Dear Parents/carers

**Fluffy bunnies and scaly snakes, brave enough to hold a tarantula?  
Don't miss the chance to meet, handle, and learn all about them.**

I am pleased to let you know that Lion Learners will be visiting the Tiger Cubs to run an after-school club after the Easter break. To ensure that all interested children have the opportunity to take part, the session will run as two separate clubs, one after the other.

**The first club will run on:**

- **Dates:** Wednesday 15th April and Wednesday 22nd April 2026
- **Time:** 3:30pm – 4:15pm
- **Collection:** Children can be collected at **4:15pm from the Reception class door.**
- **Cost: £7.50**

Places must be booked via **ParentPay**, and spaces are limited to **15 children per club**. Please book as soon as possible to avoid disappointment.

The session is planned by experienced teachers and will involve a selection of small animals and reptiles from around the world. Children will learn about the animals whilst interacting with them in a safe and secure environment. Please note: Hygiene and ethical guidelines are followed; children nor animals will come to any harm!

Who will we meet?

*Children may have the opportunity to feel the velvety soft fur of the rabbits, the rough, scaly skin of the lizard or the silky-smooth snake. The brave ones may feel the soft tickle of the spider's feet on their hand, the cool, damp feel of the snail or the gentle grip of the millipedes many feet! The guinea pigs are always popular with their squeaking, and the cockroach can surprise with his impressive hissssssss!*

We look forward to an exciting and educational experience for all involved!

Kind regards

*Mrs J Fawcett*

Class Teacher
