'Inspiring young minds to unlock their potential to grow.'

1st July 2026

Dear parent/carer

We are excited to share that on **15th July 2026**, our class will be setting off on a special visit to **St Patrick's Church, Nuthall**.

This short trip will give the children a wonderful opportunity to explore a real church building, discover its key features, and learn about the different activities that take place there. It promises to be an interesting and hands-on experience that brings their learning to life. When we've finished in the church, we will enjoy a small snack and a drink in the churchyard before returning to school.

We will be walking to and from the church, leaving school at 9:15am and returning in time for lunch. To make the visit even more special, parents and carers are warmly invited to join us (*unfortunately, we are unable to take siblings*). It would be lovely to have you with us as we explore together.

There is no cost for this trip. However, we do require your consent and confirmation of whether you are able to join us. Please provide this via **ParentPay by 10th July 2026**.

As we will be walking, please ensure your child wears comfortable shoes and weather-appropriate clothing.

We are really looking forward to this enjoyable and enriching outing, and we're sure the children will come back full of new discoveries and stories to share!

Thank you for your continued support.

As usual the local authority guidelines are followed and staffing/adult ratios are appropriate for the number and age of the children going on this visit. All the necessary risk assessments have been completed and appropriate safety measures are in place. However, under recent legislation we have to remind you that there are risks with any activity and that we expect the same high standards of behaviour from our pupils on visits as we do during the normal school day.

Yours sincerely

Mrs Brown & Mrs Sharpe

Class Teachers
