

Jay Robertson Drum Kit Tuition

Phone:07759151777

Email:percussiontuition@gmail.com

Dear Parent/Guardian,

Your son/daughter has expressed an interest in drum kit lessons at Hollywell Primary School and I am writing to inform you of the availability and costs of the lessons. Throughout the course of the lessons your son/daughter will learn to read music, adopt correct technique, play authentically in many styles including Pop, Rock, Funk, Latin and Jazz. Students will also be prepared and entered for graded drum kit exams.

Lessons are taken weekly and the times are rotated to minimise disruption to classes. Students will initially need a pair of drum sticks (Vic Firth 7a) and grade book (Introducing drum kit part 1 - Trinity College London) ownership of a Drum Kit is not necessary at the beginning but may be considered as you progress to enable regular practice.

A course of 30 lessons will be offered per academic year. An invoice for a full term's tuition will be sent prior to each term and is due for payment before the first lesson commences.

20 minute individual lesson - £14.00

30 minute individual lesson - £21.00

If you would like to proceed with drum lessons please complete the information below and return to Hollywell school office.
