Over the last 23 years of working across early years, primary and secondary education, as well as in the theatre, I have seen first-hand the transformative power of drama. I know how important it is in helping to build confidence and lifelong skills, as well as enabling youngsters to have fun and flourish creatively.

In addition to starting my exciting new ***Sparkle and Shine KS2 Drama Club*** at Hollywell, I will also be offering private drama tuition and the opportunity for students to prepare for graded exams in ***Acting, Musical Theatre, Speech and Drama or Communication Skills*** in affiliation with ***Trinity College London***. As both of my children will be at Hollywell Primary School from September, I am very happy to be able to bring this exciting new opportunity to the school community.

I look forward to working with you and your child.
