6th January 2026

Y5 ECO visit to the Materials Recovery Facility (MRF)

Dear Parents/Carers

We are pleased to inform you that children in Year 5 will be visiting **Veolia Environmental Services** in partnership with **Nottinghamshire County Council's Schools Waste Action Club** on **Wednesday 4th February 2026**.

This exciting trip is fully funded by Veolia, so there will be **no cost to parents**. However, we do require your **consent via ParentPay by Wednesday 14th January 2026**.

During the visit to the **Materials Recovery Facility (MRF)** site in Mansfield, pupils will gain a first-hand understanding of what happens to the items they place in their recycling bins. The day will include:

- An informative teaching session
- Practical, hands-on activities
- A guided tour of the working site (where possible)
- A creative craft session to reinforce learning about recycling

We will depart from Hollywell at **8:50am** and return by **1:00pm**. Children will need to bring a **packed lunch**. If your child is eligible for **free school meals** and you would like to request a packed lunch, please notify the school office via **Class Dojo by Wednesday 14th January**.

We look forward to an engaging and educational experience for our Year 5 pupils.

Kind regards

Elizabeth Ellis

Head Teacher
