

Hollywell Primary School

Open Days

Do you have a child starting school in September 2027?

Choosing the right school for your child is a really important decision. We encourage prospective parents to visit our school during a typical school day so you can see first-hand what we at Hollywell Primary School can offer your child as they embark on their school learning journey.

We believe that the best way to get a feel for our school is to visit as the children are at the centre of all we do.

We are offering small group visits – limited to approximately 8 adults per session. You will be able to meet some of the team, view the school environment and see

the children working. This will be an opportunity to hear about the Hollywell approach and ask any questions that you may have. These visits will be held when the children are in school so we will have to view the classrooms from a distance.

Monday 12th October 9.30am, 11.00am, 1.30pm & 2.15pm

Friday 6th November 9.30am & 11am

Monday 23rd November 1.30pm & 2.15pm.

Visits are by appointment only, with a maximum of 2 adult places per household. Please contact Sallyann Petts, the Office Manager to book your place by calling 0115 9195898 or email spetts@hollywellprimary.org

We do encourage parents/carers to attend without their children, as this allows you to take in all the information provided during the visit. Please rest assured that we have a robust transition in place, with plenty of opportunities for children to get to know our school before they start.

We do, however, offer one date where children can accompany their parents/carers for a visit. This will be Monday 23rd November at 1:30pm.

Our children frequently out-perform both local and National standards in reading, writing and maths.
