Y3 History Visit

Stone Age
to Iron Age

Dear Parents/Carers

As part of our history topic, we would like to take the children to the historically significant Creswell Crags in Worksop. The site is riddled with naturally-formed caves which were once home to Ice Age animals, Neanderthals and humans, with archaeology including thousands of artefacts and fossilized bones and the only Ice Age rock art in Britain. Every object tells a tale of the deep history and illustrates the fascinating story of how we lived in what was once the extreme northern frontier of the known world.

Our visit is arranged for **Thursday 5th November 2026**. Children will need to arrive at school on time for a prompt departure of 9:00 am; we aim to return before the end of the school day.

We are asking for a contribution of £22.50 per child. Payment must be made via Parentpay and can be paid by instalments if this is more convenient. Those families in receipt of targeted free school meals may contact the office for alternative payment details. Whilst no child can be excluded for reasons of non-payment, the visit may have to be cancelled if there are insufficient funds. **Full payment will need to be made by Thursday 15th October, please.**

Children will need to bring a packed lunch to school. If your child is in receipt of free school meals, we can offer children a packed lunch for the day consisting of a sandwich, piece of fruit and cake. Please let the office know via Dojo before **Wednesday 30th September**, if you would like to order one.

As usual the local authority guidelines are followed and staffing/adult ratios are appropriate for the number and age of the children going on this visit. All the necessary risk assessments have been completed and appropriate safety measures are in place. However, under recent legislation we have to remind you that there are risks with any activity and that we expect the same high standards of behaviour from our pupils on visits as we do during the normal school day.

Yours sincerely
Mrs Harlin
Class teacher
