Dear Parents/carers

## **Permission to Walk Home Alone**

Should you wish for your child to leave school alone to meet you off the school premises or to walk home, and you feel that he/she is mature enough to cope with the responsibility, please email the office stating that you have read this letter and agree to the content before giving your permission.

Please note that this does NOT include after school clubs/activities and cannot specify which days you want your child to walk home.

Before you give your permission allowing your child to leave school alone, please ensure that you have explained the safety aspects to your child.

Should a child feel unsure about leaving alone at any time, then he/she should tell their teacher or come to the school office, where we will contact you. If your child has already left school but feels unsure, or has any difficulty, then they should return to the school office where we will contact you.

No child will be allowed to leave the school premises alone without prior consent from a parent or guardian.

It is the responsibility of you, as a parent/carer and not the school once a child has left the school premises.

Kind regards

Elizabeth Ellis  
Head Teacher
